# Are you doing things **differently?**

Do You Have Novel Ideas / Prototypes / Innovations  
Working Model / Technologies for **Start-up?**

Startup  
Grand-in-Aid  
**₹ 2.5 Lacs**

Apply by  
or before  
**31st March 2020**  
**(Date Extended)**

**The New Gen IEDC** – Business Incubation & Innovation Centre Kashmir University is available to help you for financial support (Grant-in-Aid) for startup incubation for the selected ideas. Provide access and facilitate networking with Professional Resources, Advisors, Consultants, rich pool of Industry Practitioners, Mentors and Potential Institutional & Private Investors in phased manner. The selected business ideas/innovations/prototypes will be awarded startup grant-in-aid of **Rs 2.5 lakhs** in phase I and subsequent startup grant of **Rs 4 Lakhs** on competitive basis in phase II.

Proposals sought are not restricted to specific sector, product category, or service classification.

Preference will be given to the science and technology driven ideas having multiplier and transformational impact on the local economy for the emerging fourth generation industrialization.

**Student community from any academic institution can apply.**

**The detailed comprehensive proposal(s) both in hard and soft forms need to be submitted in the incubation centre by or before the submission date.**
