

# Declaration

I, [Full Name], founder/co-founder of [Startup Name], hereby declare and certify that our startup has not received any significant private or government funding for the same idea/concept submitted under [Name of the Grant/Scheme].

I further affirm that:

1. Our startup has not been previously awarded financial assistance or grants from any government scheme, private investors, or venture capitalists for the development, validation, or commercialization of the same idea/concept.
2. We have not availed of funding support under any other government initiative for this project, and we acknowledge that startups receiving such support may not be eligible for this grant.
3. If our startup is found to have received such funding at any stage, we understand that it may result in disqualification, withdrawal of funds, or other necessary actions as per the policies of the funding authority.
4. The information provided in our application is true to the best of our knowledge, and we take full responsibility for its accuracy.

I solemnly affirm and declare that this self-certification is made in good faith and in compliance with the eligibility criteria of the grant/scheme.
